FUNSHINE

CHILDREN'S CENTER

Where Learning is Child's Play

**A Developmental Child Care Center
For Children 6 Weeks to 6 Years**

*Family Owned and Operated
since 1983*

Learning

At Funshine, our creative curriculum helps foster your child's social, physical, cognitive and language development. We take a fun approach to learning and let children develop at their own pace. Whether it's songs, stories and cuddling for the younger kids to field trips for the older ones, we help children learn and fulfill their curiosities through:

- Routine emphasis on literacy, math, science, social science, arts, culture and technology
- Spanish and sign language
- Weekly music classes with experienced musician
- Monthly visits from local fire department, hospital and parks/recreation staff
- Show & Tell and other special or community events

Playing

We never underestimate the importance of simply letting children play. So we allow plenty of time during the day for recreation—both structured activities and informal play time for group interaction. Some of the many ways your child can play at Funshine include:

- Stimulating books, puzzles, toys and quiet play
- Outdoor playgrounds and indoor recreation area
- Water play time during warmer months
- Holiday parties, special family days and seasonal projects and events

Nurturing

We hope you will think of Funshine as a home away from home. Our warm, caring staff has a passion for nurturing and caring for children. We can provide your child with a loving environment for playing, learning and growing. Why choose Funshine?

- Certified teaching staff with high retention rate
- Small student-teacher ratio
- Home-cooked meals by on-site nutritionist
- Staff with a passion for nurturing and caring
- Love and respect with firm and consistent care

Protecting

We know that safety is a big concern when choosing a child care center. Funshine takes all of the necessary measures to ensure your child is well-protected while in our care, including:

- Director on-site at all times
- Security code access
- Child-proofed classrooms
- Fenced outside playgrounds
- Enforced sanitary practices
- First aid and CPR-certified staff
- State licensed, regulated and inspected
- Regular quality assurance audits and parent surveys to continually improve
